Dear Dr. Skelton,

Many thanks for your valuable most
interesting article on the Nydun ship. I have already
had *Acta Archaeologica* noticed & the review will appear in
the next number of *Antiquity*. It is a splendid publication.

With kindest regards your other review of Stigg Jurski's
book on Early Church Art which was sent to you in June
1929?

Yours truly

O. G. S. Crawford
