Mr Johannes Sundvor,  
Bergen Norway.

Dear Cousin

My wife's brother and wife are going to take a trip to Europe starting the 21<sup>st</sup> of June on Bergen fjord, and will stop at Bergen. He will be a stranger as he has never seen Norway I wish you would make it as interesting as possible for him while there. You will find in him a man of wide experience. You could advise him where to find a good place to stay while staying in Bergen.

I just got home from Minnesota I saw some of our folks from North and South Dakota happened to meet one of my cousins.

I have been writing to for two or three years so I hope I can send you the record of all families but the Jacobson Boos which I have not been able to locate,

P.S. This man that is coming is a stout man weighs about 225<sup>lb</sup> his wife is very small his name is A.W. Thompson, Preston Minnesota  
With Best regards to you and family

Mr and Mrs M.B. Johnson
